Our offer

On brandeins.de we offer thematic access to collections for different target groups. In addition to articles and media content from our publications, they can also contain advertising space with designed links to your offer. As our **partner** you present a jointly defined **package of topics** and provide our readers with free access to **high-quality content** free of charge. The partnership is visible through prominent mentions on overview pages and in accompanying social media posts, which we use to promote the **collection**. At the end of the booking you will receive an evaluation from us. *(page views of the collection and your articles)*
